Suppliers of Elite nutrition and solutions

ELITE MAXILAC 10 + MONENSIN

Elite Maxilac 10 is a quality premix. Formulated to support trace mineral and vitamin requirements of your herd's, health, fertility & Production.

The inclusion of organic zinc and biotin helps to support the quality of the herd's hooves and health, as zinc also plays a major role in immune function.

It has a feed rate of 10g per day. Our sales and nutritional team can advise which premix and feed additives are best suited to your herd
