ELITE PIG WEANER PREMIX

Elite Pig Weaner premix is a high quality product providing a balanced formulation of trace minerals and vitamins for young pigs up to 12 weeks of age. This premix contains products which assist in promoting elite performance levels and support the pig in times of stress and disease challenges. All National Feed Solutions premixes are manufactured using high quality products to maximise long term stability and potency.

DIRECTIONS:

In young pig diets thoroughly mix 2.0 kg of Elite Pig Weaner premix to each 1000kg of mixed feed. To maximise dispersion in the mix, it is recommended to pre-blend the premix addition with 5.0 kg of a cereal carrier before adding to the mixer.

Additional Rate: 2.0 kg per tonne **Target Age:** 2-12 weeks **Pack Size:** 20kg
