FEED SOLUTIONS Pty Ltd

Suppliers of Elite nutrition and solutions

ELITE SHEEP PREMIX + BOVATEC

Elite sheep quality premix is formulated to provide a balanced vitamin and trace mineral intake of your feedlot or breeding flock.

It is copper free and provides the trace nutrients required to support growth, health & fertility. It contains Bovatec to promote feed conversion and prevent coccidiosis.

Feed rate is 1kg per tonne of grain mix or as advised by nutritionist.
