# ELITE PIG CREEP MILLPACK

The Elite Pig Creep millpack is a high quality bag a batch product providing a blend of essential amino acids, macro minerals, enzymes, organic acids, gut modifiers and the Elite Pig Weaner mineral/vitamin premix. This pack contains products which assist in promoting elite performance levels and also supports the pig in times of stress and disease challenges. All National Feed Solution millpacks are manufactured using high quality products to maximize long term stability and potency. The standard packs offer flexibility and logistical benefits for the small to medium size farming operation.

## DIRECTIONS:

In first stage creep pig diets thoroughly mix one millpack bag of Elite Pig Creep to each 1000kg of mixed feed.

**Additional Rate:** 25kg per tonne

**Target Age:** 2 - 6 weeks

**Pack Size:** 25kg

Millpack Name	Target Age	Bag Size (kg)
