ELITE SHEEP GREEN FEED LICK WITH ORGANIC ZINC AND BIOTIN

Elite Sheep Green Feed Lick with Organic Zinc and Biotin is a weather resistant loose lick supplement, balanced in vitamins and minerals, specifically formulated to support the health and performance of growing lambs, ewes and rams grazing pastures. It is designed to manage mineral imbalances that often occur, and support animal health, when grazing lush, green pastures

Elite Sheep Green Feed Lick with Organic Zinc and Biotin contains an added Zinc Methionine complex, and rumen protected Biotin to promote:

- Hoof health and growth during extended wet periods;
- Immune system function during times of stress;
- Milk production and animal growth on high quality pastures;
- Reproductive performance in ewes and rams

Elite Sheep Green Feed Lick with Organic Zinc and Biotin contains protein meals to promote animal performance when grazing pastures and other high quality forages. It is designed to maximise feed conversion and profitability by supporting rumen, gut and immune health along with maintaining hydration during stressful times.

Elite Sheep Green Feed Lick with Organic Zinc and Biotin:

- Is a source of macro minerals including calcium, phosphorus, magnesium, sulfur and sodium;
- Is a source of vitamins, including A, D, E & B1 and trace minerals including zinc, manganese, cobalt, selenium, iodine to support animal health. No copper is added to Elite Sheep Green Feed Lick with Organic Zinc and Biotin;
- Should be offered on an ad-lib basis,

Elite Sheep Green Feed Lick with Organic Zinc and Biotin should be offered to animals on an ad-lib basis. Offer in containers with suitable drainage to prevent water retention. Average intakes will be 20 to 30 grams/head/day – initial intakes may be higher before reducing to the desired rate after 10 to 14 days. If intakes remain high, please speak with your NFS Nutritional Consultant. This product can also be fed to cattle.

Livestock should be introduced to **Elite Sheep Green Feed Lick with Organic Zinc and Biotin** gradually. If only low quality forages are available offer Elite Sheep Dry Feed Lick for better results. **Elite Sheep Green Feed Lick with Organic Zinc and Biotin** is NOT a complete feed - DO NOT offer if forage and fibre availability is limiting. Speak with your NFS Nutrition Consultant for additional information.

Elite Sheep Green Feed Lick with Organic Zinc and Biotin also contains Vitamins A, D, E and B1, Cobalt, Iodine, Manganese, Molybdenum, Selenium, Sulfur and molasses. This product does not contain added copper
